Sed nil dulcius est, bene quam munita tenere
Edita doctrina sapientum templa serena :
Despicere unde queas alios, passimque videre
Errare, atque viam palanteis quaerere vitae,
Certare ingenio, contendere nobilitate,
Noctis atque dies niti, praestante labore
Ad summas emergere opes, rerumque potiri.

Lucretius de natura rerum II, v. 7—13.
